Ref: FOI 2023/1109

I write in connection with your request for information dated 16th November 2023 concerning medical cannabis.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted policy team – I am now able to respond as follows.

You wrote:

I would like to know Wiltshire Polices' policy if a prescribed medical cannabis patient is tested to be over the prescribed limit while driving. I understand that there is a statutory medical defence in Section 5a (3) of the 1988 RTA. If the requirements for this defence are met at the roadside will there be a need for arrest?

I refer you to the Askthepolice site which states "You can still drive... even if you're over the prescribed limits".

Our response:

Section 5A (3) is only a defence following charge for the offence, the defendant **MUST** prove they were supplied medical cannabis and it was taken in accordance with the directions, this therefore would not preclude their arrest.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
