Dear XXXXX,

I write in connection with your request for information dated 24<sup>th</sup> November 2023, concerning stop and search figures.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

## **You wrote:**

I am collecting data for a PCDA university assignment on Stop and Search figures.

The Wiltshire Police website holds a lot of information and figures regarding stop and search performances which I am using to compare with other police forces figures of similar size and resident population.

Is there any information in the same format as the rest posted for 2019-2020 Quarter 1 and Quarter 2? Also the same for 2021-2022 for Quarter 2 as there are no documents covering these periods?

## **Our response:**

Please see attached document for Quarter 2 of 2021 (July to September).

Although some information is held on our systems for Quarter 1 and Quarter 2 of 2019/20, this is not in the format of the documents requested / on the Wiltshire Police website. There is no obligation on a public authority to create data where this is not already held (i.e. creating the document so it is in the requested format).

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

# Freedom of Information Request Appeals Procedure

## 1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

## 2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:  
Force Disclosure Unit  
Wiltshire Police Headquarters,  
London Road, Devizes,  
Wiltshire,  
SN10 2DN

Email at [disclosure@wiltshire.police.uk](mailto:disclosure@wiltshire.police.uk).

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

## 3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

## 4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review.
