Dear,

I write in connection with your request for information dated 12<sup>th</sup> December 2023 concerning livestock worrying.

The information you are requesting is not stored in a way which permits for easy retrieval. These types of incidents are classified as 'Summary Offences'. Summary Offences do not have a specific crime classification and are recorded under an umbrella classification of 'NZ - other incident no crime'. As all Summary Offences are grouped under this classification and retrieving the data requested would require a manual review of all 'NZ - other incident no crime' occurrences within the requested period, to determine if they were relevant to the request. There would be hundreds, if not thousands, of records to physically trawl through and as a result of this, this would undoubtedly exceed the time/cost limitations we have to furnish your request within.

Therefore, under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

**Section 12 – Exemption where cost of compliance exceeds appropriate limit**

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
