Our Ref FOI 2024-013

Dear XXXXX,

I write in connection with your request for information dated 3rd January 2024, concerning under 18s sexual offences with knife.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

I am writing to request, under the Freedom of Information Act 2000, the following:

The number of under-18s committing rape and sexual assault with a knife in the following years?

2018 2019 2020 2021 2022 2023

Our response:

Please note:

- ❖ These figures include both suspects and offenders under the age of 18. A suspect has not been charged with an offence but an offender has.
- ❖ Our weapons flag was used to filter the results for rape / sexual assault offences committed by under 18s to show those that involved a knife. The use of flags is subject to human error (i.e. added when not required or not added when they should have been) and therefore there is a possibility they may not be reliable.

Requests for review of a Freedom of Information request must be made in writing to the:

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response.
