You wrote:

I would like to make a request for some information please:

- The number of dashcam footage submissions from the public received by Wiltshire Police for each individual year of 2021, 2022, and 2023.

Our response:

2021 – None recorded as we did not start 'Op SNAP' until 2022.

2022 – 227 submissions

2023 – 488 submissions (approximately)

Please note:

Op SNAP is an Online portal where members of the public can upload footage of suspected driving offences. This does not include Road Traffic Collisions/RTCs, but does include offences such as Using a Mobile Phone Whilst Driving, Contravening a Road Traffic Signal and Careless/Dangerous Driving.

An internet search of 'Op SNAP' will provide more in depth information.

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,

Email at disclosure@wiltshire.police.uk.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
