Ref: FOI 2024/181

Dear,

I write in connection with your request for information dated 12th February 2024 concerning response times to call-outs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

1. What was the average response time (in hh:mm:ss) for a Grade 2 response in each of the following calendar years: 2023, 2022 and 2021.
2. What was the longest response time (in hh:mm:ss) for a Grade 2 response your police force recorded in each of the following calendar years: 2023, 2022 and 2021.
3. What was the longest response time (in hh:mm:ss) for a Grade 1 response your police force recorded in each of the following calendar years: 2023, 2022 and 2021.

Clarification received (06/03/24):

By "Grade 2" response, I mean priority 2.

Our response:

The information that you are requesting for the majority of your request (namely questions 2 & 3) is not stored in a way which permits easy retrieval. This is because there are data quality issues with logs not being closed correctly and so in order to establish the longest response times there have been for immediate and priority responses accurately, this

would involve us having to go into each log for the time frame requested in order to obtain this information accurately for you.

Therefore, under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Although excess cost removes the forces' obligations under the Freedom of Information Act, as a gesture of goodwill I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request. What I am able to provide you are the answers documented below –

1. What was the average response time (in hh:mm:ss) for a Grade 2 response in each of the following calendar years: 2023, 2022 and 2021.

As per the clarification we received from you above whereby you confirmed that you are after data for "priority" responses, for your awareness, our "priority" response is in fact our Grade 3 response. Our Grade 1 response refers to "immediate urban" responses and our Grade 2 response refer to "immediate rural" responses. The data provided below refers to our Grade 3 priority responses, as requested.

2021 Priority Response:

Avg Log Response Time	Median Log Response Time
01:05:21	00:33:59

2022 Priority Response:

Avg Log Response Time	Median Log Response Time
01:22:51	00:38:40

2023 Priority Response:

Proud to serve and protect our communities

Avg Log Response Time

01:54:17

Median Log Response Time

00:45:00

Due to there being data quality issues with the longest response times, this will of course then have an impact on our average response times – therefore, I would suggest that the median response times provided above would be a better measure to go from.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12 – Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker
