Date: 11th March 2024

Ref: FOI 2024/249

I write in connection with your request for information dated 27th February 2024 concerning gloves.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted Performance Team – I am now able to respond as follows.

You wrote:

Background to this FOI, night club bouncers wear black gloves that have a layer of small beads that are not visible but can be felt on a closer inspection, these beads act like knuckle dusters when punching someone.

I have seen a YouTube clip of a Police officer wearing what appears to be these type of gloves.

I am writing to you to make an open government request for all the information to which I am entitled under the Freedom of Information Act 2000.

Please send me the following information

- 1/ are your forces Police officers allowed to use these type of gloves.
- 2/ are your forces Police gloves inspected.
- 3/ have any of your forces Police been found with these gloves.
- 4/ would these gloves be classed as an offensive weapon.
- 5/ would a person or an officer using these gloves be charged with ABH or GBH.
- 6/ has anybody been arrested for using these type of gloves.
- 7/ questions 1 to 6 cover the previous 18 months from today's date, the 27th February 2024.

Our response:

The information that you are requesting in Question 6 is not stored in a way which permits easy retrieval.

Whilst our Crime Recording system(s) are sophisticated and we have a number of fields in which information pertaining to a crime or incident is recorded (and can be searched), we do not have a specific field in which we record crimes by the location information you requested in Question 6.

Proud to serve and protect our communities

The ascertaining of this information would only be possible by physically reviewing and/or reading the Occurrence / Crime Record on our Niche database for the time period you require.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request in respect of Question 6 to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker
