Our Ref FOI 2024-331

Dear XXXXX,

I write in connection with your request for information dated 21st March 2024, concerning Force vehicles damaged by potholes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Fleet department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

For the months of January through to December 2023 and - if available - for the first 3 months of 2024, please disclose:

- 1) The total number of vehicles in your police force which were damaged in pothole-related accidents.

(Please would you provide description/details e.g 'vehicle written off'- but only if this does not demand more time/money than is stated under the Act. Otherwise, just the total number of damaged vehicles is sufficient).

- 2) The total monetary value of pothole-related damage caused to your force's vehicles.

Our response:

Due to current system restraints, we are not able to distinguish between a part being fitted due to being worn out or damaged. Therefore, we will not be able to provide information specifically in relation to pothole damage.

Should you require the requested information in relation to general tyre replacement, please inform us and we can furnish this information.

Keeping Wiltshire Safe

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
