Dear *****,

I write in connection with your request for information, dated 11/04/2024, concerning speed fines and penalties.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, searches were conducted with the Justice Traffic Unit of Wiltshire Police.

You wrote:

Can you please supply me with details of all speed fines/penalties for the last 3 years which include:

date, Location, speed limit, Type (i.e camera or mobile unit), vehicle speed, fine, penalty if any)

Response:

Please find the total number of speeding offences that we have had in the last 3 years – the first column is for offences that were processed via PentiP and the second for those taken to court via niche – please note some offences may appear in both columns as if a court hearing is requested or the FPN is not complied with then this puts offences into both areas

Wiltshire Police are unable to obtain information on the locations or camera type as we do not have fixed police cameras in Wiltshire.

All fines for a fixed penalty are at £100 with 3 points if complied with – if a matter goes to court it is up to the court to decide on any fine – there may be more information held about this by HM Courts and Tribunals Service. Please see the following link:

Making an FOI request guidance can be found towards the bottom of the page.
