Dear XXXXX,

I write in connection with your request for information dated 22nd April 2024 regarding camera detected traffic offences.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by Justice Traffic at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote (and our response):

Following from an article in the national press regarding a joint Wiltshire Police and National Highways pilot trial of the Acusensus AI based camera-based detection system for moving traffic offences - specifically mobile phone and seatbelt offences can you please provide the number of offences detected to date, by this Acusensus device only for:

1. Drivers not wearing seatbelts

471

2. Drivers using a handheld device whilst driving.

603

3. The total number of offences detected, including the number of Notices of Intended prosecution that resulted in a 'fail to furnish' summons.

1074 offence detected – We don't know yet how many will be fail to furnish, we have 47 yet to be processed.
Keeping Wiltshire Safe

4. The number of conditional offers of fixed penalty made

1074

5. The number of warning letters sent.

0 (zero)

6. The number of cases scheduled for the matter to be heard at Court.

0 (zero)

7. The number of offences that received a reply claiming a statutory exemption.

No information held

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker
