Dear XXXXX,

I write in connection with your request for information dated 26th April 2024, concerning electricity and gas usage.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Facilities department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

We thank you for last year's response and inclusion within our report and now look forward to seeing your inclusion again within our new report. For the period 1-April-23 to 31-March 2024, we please require disclosure of: -

- The grid Electricity kwh's consumed & the £-value spent (excl-vat).
- The natural Gas kwh's consumed & the £-value spent (excl-vat).

Our response:

Please note:

- ❖ We have not received all of the utility invoices for the previous financial year (2023/24). Therefore, the information is **not complete** and is based on the information we currently hold.
- ❖ Our Facilities department do not oversee the Swindon site, as this is overseen by another company. As they do not oversee this, they do not see the utility invoices and therefore the below is based off all sites except Swindon.

Requests for review of a Freedom of Information request must be made in writing to the:

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response.
