Ref: FOI 2024/467

I write in connection with your request for information dated 29th April 2024 concerning IT Service Management.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am now able to respond as follows.

You wrote / Our response:

I am seeking information regarding your current IT Service Management software provider.

FOIA - which takes a neutral approach to requests (i.e. there is no "purpose" clause or provisions) - can be a driver to economic growth and competition, and that it is absolutely acceptable for businesses to request information like this, and disclosure should be made.

Please provide me with the following information:

1. Who is your IT Service Management (ITSM) provider?
 - [HALO](#)
2. When did your current ITSM contract begin?
 - [May 2020](#)
3. When is your ITSM contract up for renewal?
 - [May 2024](#)
4. Name of the person responsible?
 - [Mark Levitt Head of ICT](#)
5. Current annual spend for this contract?
 - [£39k](#)

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker
