Dear XXXXXX,

I write in connection with your request for information dated 6th June 2024 concerning Safety & Wellness Checks.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and – having consulted our Public Protection Department & Policy Lead within Force - I am now able to respond as follows.

You wrote:

Residents where their Police Force is Greater Manchester are able to request a safe and well check if they believe that any one at an address may be at risk of harm.

1) Please can you advise if you operate anything similar?

2) Please see attached document. Please provide equivalent or similar held pertaining to your Police Force (attachment appears to be a Policy on the subject)

Our response:

- 1) Our Public Protection Department have confirmed that Wiltshire Police undertake checks in the same way that Greater Manchester Police do
- 2) We do not currently have a formal policy document in place that covers this, however it has been recognised that we need to implement one. Our response to this question is therefore - No Information Held.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
