Our Ref FOI 2024-656

Dear XXXXX,

I write in connection with your request for information dated 12th July 2024, concerning fixed position speed cameras.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Justice Traffic department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

1. Which three fixed position speed cameras in your area were responsible for (i) the issuing of the most notices of intended prosecution (NIPs) to suspected speeders in the combined three-year period of 2021, 2022 and 2023?

By this I mean which three cameras were the busiest across the entire three-year period rather than which three were busiest in each year. Hence the response should be just three camera sites and no more.

2. Please provide me with the position of each of the three cameras along with the number of NIPs that each of these three was responsible for over this three year period.
3. If possible please provide me with the number of (i) FPNs and (ii) driver education courses that were accepted as 'punishment' by the people issued with the NIPs at each of the camera sites identified by Question 1.

NOTE: Please include average speed cameras for this analysis where the cameras have remained in the same position.

Our Response:

No information held. There are no fixed position speed cameras under the care and control of Wiltshire Police within our jurisdiction.

Keeping Wiltshire Safe

Ordinarily under our Section 16 obligation to provide advice and assistance we would advise you of a way to refine your request to a more manageable level. However, due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.

Requests for review of a Freedom of Information request must be made in writing to the:
