Ref: FOI 2024/747

Dear,

I write in connection with your request for information dated 13th August 2024 concerning murder charges.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted our Business Intelligence team – I am now able to respond as follows.

You wrote:

- 1) How many charges for Murder were given in your forces area over the previous years stated below, starting from the 2018 calendar year.

2023
2022
2021
2020
2019
2018

Please split this data up by the number of charges for each year. If this is not possible, could you please provide this information as a total over the previous years listed above. Please provide this information in spreadsheet format (CSV or XLS).

- 2) Within your forces area, could you provide a breakdown of the areas that have the most murder charges.

This does not need to be broken down by postcode, towns would be sufficient for this.
