Please note: This data was obtained by completing a summary search for the specific terms as requested. The results of these types of searches may be unreliable and inaccurate as only the summary field of the report is searched. If these terms are contained elsewhere (i.e., within the call log, crime report, statements etc.) these will not be returned in the results. Additionally, if the term is misspelt within the summary field, this will not be returned. To provide accurate results would require a manual search of each crime within the specified timeframe to deem if they were relevant to your request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker
