Date: 26th September 2024

Ref: FOI 2024/858

Dear,

I write in connection with your request for information dated 26th September 2024 concerning driving offences linked with unsuitable footwear or clothing.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

I am looking for information regarding driving offences committed in 2023 and to date in 2024 linked with unsuitable footwear or clothing.

Specifically I am looking for:

- A list of all offences committed in 2023 and to date in 2024 (separated per year) that are linked to footwear or clothing
- Fines attributed to each offence
- Total cost of fines in 2023 and to date in 2024 (separated per year) that are linked to footwear or clothing
- Total number of offences committed in 2023 and to date in 2024 (separated per year) linked to footwear or clothing

Our response:

The information that you are requesting for the majority of your request is not stored in a way which permits easy retrieval. This is because there is no driving offence specifically linked with driving in unsuitable clothing or footwear that we can search on in order to obtain this information accurately for you. Therefore, the only way in which we would be able to confirm if we even hold this information first and foremost, would be to manually peruse through all driving-related reports that have been made since 2023 to date and as

you can imagine, this would undoubtedly take us well over the allocated time frame we have to complete your request within.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12(2) – Exemption where cost of compliance exceeds appropriate limit

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
