Dear,

I write in connection with your request for information dated 30th September 2024 concerning reports of murder.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and after having consulted our Business Intelligence team – I am now able to respond as follows.

You wrote:

1. How many reports of murder offences (home office code – 001/01, murder of persons aged 1 yr or over) have you received from January 1st, 2022, to January 1st, 2024?
2. Please can you also provide the age, ethnicity and gender of the victim for each of these reported offences?
3. Please can you also provide the cause of death of the murder, i.e. stabbed with a knife?
4. Please can you provide the outcome for each of these murder offences that have been reported between the set dates?

Our response:

23	B2. Black African inc Black British	M	Suspect charged with Manslaughter
18	W1. White British	M	Suspects charged with Murder

----	--------------------------------	---	-----------------------------

In relation to question 3, please note that there is no information held. This is because the cause of death (the official verdict from the Coroner) is not recorded.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker
