Dear,

I write in connection with your request for information dated 9th October 2024 concerning deepfake pornography.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You Wrote:

Can you please share with me data contained in reported incidents (eg in STORM's database) which contain the words 'deepfake' and 'porn'/'pornography' from 09/10/2022 to 09/10/2024. If unavailable, can you search the words 'intimate image abuse' or 'revenge porn'.

Please can you share with me how many reports of these words together were made. Can you break down these results as reports per month.

Please can you share information on the nature of each incident and the outcome (eg advice given or what charges were pressed).

Please can you also share the gender and the ages of those who reported and those convicted.

*By 'deepfake pornography' I refer to 'synthetic pornography that is created via altering already-existing photographs or video by applying deepfake technology to the images of the participants' often non-consensually, the products of which can sometimes be used as revenge porn.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
