Date: 23th October 2024

Ref: FOI 2024/934

I write in connection with your request for information dated 22nd October concerning online abuse.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am now able to respond as follows.

You wrote:

I would like to know how many individuals were reported for a case of online abuse in the years 2022, 2023 and 2024 individually where the offence was committed by an individual under the age of 18 and those 18 and over. I would like this age breakdown provided separately.

I would also like to know the outcomes of the report - how many were charged - for both those offenders under the age of 18 and those 18 and over. If you cannot provide this additional information please just provide the other information I have requested.

Online abuse defined as: death threats, cyber bullying, threats, sexual harassment, cyberstalking, emotional abuse, unsolicited sexual imagery and enticing violence or harm through online speech and comments.

Our response:

The information that you are requesting is not stored in a way which permits easy retrieval.

Wiltshire Police does not have a specific crime classification, offence description or crime code for online abuse. The ascertaining of this information would only be possible by physically reviewing and/or reading the Occurrence / Crime Record on our Niche database for the time period you require. For example, the qualifier for 'Cyber' would cover cyber bullying and cyberstalking however this returns over 6000 reports between 2022 – 2024.

Given the number of individual crime logs that would need to be read and reviewed, I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,
Force Disclosure Decision Maker
