Dear,

I write in connection with your request for information dated 31/12/2024 concerning Operation Navette injuries and code of dress.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

1. Please provide the number of officers who sustained (i) 'severe' and (ii) 'minor' injuries.
2. Please break down this figure to show the severe injuries officers sustained - concussion, broken bones, facial injuries cuts etc.
3. Please provide the POPS code of dress being worn by each officer at the time they sustained a 'severe' injury - code 1, 2 or 3?
4. Please provide the number of officers who were hospitalised (all injuries).

Response:

The number of Wiltshire Police Officer Injuries published in the above report was incorrect. Only one Officer was injured and this was a minor injury.

HMICFRS are in the process of updating the Tranche 1 report with a footnote advising the correct data

Keeping Wiltshire Safe

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Yours sincerely

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,

Wiltshire,

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
