Dear,

I write in connection with your request for information dated 3rd February concerning children dying whilst in the care of an adult under the influence of drugs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

In the last ten years, how many children have died in the care of an adult who was under the influence of a Class A drug at the time of the death?

Of this number, how many of those adults were prosecuted for neglect?

Response:

I have read the Occurrence Summary of all results under the offence description Cruelty to and neglect of children, with a NICL Qualifier of Drugs applied. There are no instances where a child has died under the care of an adult who was using Class A drugs.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response.
