Dear,

I write in connection with your request for information dated 04/02/2025 concerning AI-generated CSAM.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote with **Response:**

1. How many CSAM cases has your force encountered in the past year? (Estimates welcome.)

CIET received 335 referrals in the year March 2024 – February 2025. This is excluding 21 ROCU cases.

2. What percentage of your total CSAM cases do you estimate involve AI-generated content? -

No information held

3. How long on average is spent on Victim ID in a CSAM case in 2024 compared to 2019?

These questions are invalid under FOI as they ask for a subjective opinion to be provided rather than for specifically recorded information. Refused under s8(1)(c)

4. How many successful prosecutions were made in 2024 involving AI-generated CSAM?

These questions are invalid under FOI as they ask for a subjective opinion to be provided rather than for specifically recorded information. Refused under s8(1)(c)

5. How effective are current detection methods for AI-generated CSAM compared to traditional CSAM? (Estimates or general insights are fine.)

No information held - You would need to look to the social media platforms, search engines - It is their algorithms that are picking up on the sharing of CSAM, prior to alerting law enforcement.

6. What is the total amount spent in 2024 on AI detection tools with specific features for CSAM, and on recruiting staff for roles where AI plays a key part?

No information held

7. Is your force collaborating with external organisations to address AI-generated CSAM?

Yes

8. Have officers received additional training on AI-generated CSAM?

Yes

Exemption used:

Section 8 of the Act states that:

(1) In this Act any reference to a 'request for information' is a reference to such a request which-

(a) is in writing,

(b) states the name of the applicant and an address for correspondence,
and

(c) describes the information requested.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
