Dear,

I write in connection with your request for information dated 21/01/2025 concerning AI-enabled speed cameras and NIPs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

1. How many Notices of Intended Prosecution (NIPs) for speeding were issued to drivers in the financial years (a) 2022/23 and (b) 2023/24. Please provide a break down of the number of NIPs issues for each calendar month starting with January 2022 and running until December 2024.
2. As of the 1st January 2025 (or the closest convenient date), how many AI-enabled cameras, which can provide evidence to assist in the prosecution of road traffic offences, are currently sited on roads within your area of responsibility?
3. From these AI-enabled cameras, how many Notice of Intended Prosecution (NIP) have been distributed? Please break down the data by calendar month from the start of their operation and broken down by the type of offence that was registered? Eg, speeding, not wearing a seatbelt, using a mobile phone, etc.
4. Please indicate whether you will be launching or increasing the number of AI-enabled cameras on your roads, and when this is expected to be, and how many AI-cameras you expect to install.
