Our Ref FOI 2025-434

Dear XXXXX,

I write in connection with your request for information dated 24th April 2025, concerning Stonehenge A303 collisions.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Justice Traffic department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

I am writing to request access to statistical data on road traffic accidents that have occurred in the A303 Stonehenge region over the last 10 years.

If available, I would appreciate information including but not limited to:

- Number of accidents
- Locations
- Times and dates
- Severity
- Causes or contributing factors, if known

Clarification received 29.05.2025 - I can confirm the Stonehenge stretch I was referring to is the A303 between Countess Roundabout and Longbarrow Roundabout.

Our response:

A disclosure under Freedom of Information is a disclosure to the public as a whole, not just the requester. The specific dates and times of the collisions have not been disclosed, but rather the

month / year have been disclosed, so to avoid identification of individuals involved in the collisions.

Please see below table detailing the total number of road traffic collisions, broken down by injury type.

Please see the following page for additional information on each collision.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal
