Dear

I write in connection with your request for information dated 136th May concerning speed limit on the roads with reference specifically to TRACTORS.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

Please may I request the following information (if held):

- The number of successful prosecutions secured for exceeding the speed limit on the roads with reference specifically to TRACTORS and/or agricultural vehicles (as opposed to any other vehicle type)
- Please provide tractor/agricultural vehicle speeding prosecution figures for 2022-23, 2023-2024, 2025 so far.
- Can you please identify the HIGHEST illegal tractor/agricultural vehicle speed (in mph) recorded by the force, and what the speed limit of the road was at the time of the offence
- If possible, please provide details of the ultimate prosecution (fine, points on licence, etc) for the individual who recorded the highest speed while driving a tractor/agricultural vehicle.

Response:

The information that you are requesting for the remainder of your request is not stored in a way which permits easy retrieval.

Keeping Wiltshire Safe

Whilst our Crime Recording system(s) are sophisticated and we have a number of fields in which information pertaining to a crime or incident is recorded (and can be searched), we do not have a specific field in which we record more specific information you requested.

The ascertaining of this information would only be possible by physically reviewing and/or reading the Occurrence / Crime Record on our Niche database for all speeding offences individually (these being in the thousands) for the time period you require.

Ordinarily under our section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal
