Dear,

I write in connection with your request for information dated 23rd June concerning serving and former police officers and staff from your force who have died by suspected suicide.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

Under the Freedom of Information Act, can you please tell me for the following years - 2020, 2021, 2022, 2023, 2024 and 2025 (as of June 23rd 2025):

- The total number of serving and former police officers and staff from your force who have died by suspected suicide
- The total number of serving and former police officers and staff from your force who have died by suspected suicide - with the death recorded during or after misconduct proceedings

Can I request that this information is:

- Broken down clearly by individual year
- Broken down by whether the individuals were either serving or former officers and staff

Response:

No information held.

We do not record the reasons for death on our system(s), only that an officer or staff member is deceased.

The Coroner is the person who will establish and record whether a suicide has taken place and we do not retrieve and/or record the Coroner's records.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker
