Dear,

I write in connection with your request for information dated 17/07/2025 concerning illegal, unregulated or "black market" vape products.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

I am writing to request information under the Freedom of Information Act 2000. The main purpose of this request is to gather data concerning illegal or black-market vape sellers within your police force's jurisdiction.

Note: An illegal or unregulated vape does not comply with UK regulations, often meaning it's not registered with the Medicines and Healthcare Products Regulatory Agency (MHRA), contains nicotine levels exceeding the legal limit (20mg/ml), or has a tank capacity larger than 2ml for single-use vapes. These products can also be dangerous because they may contain harmful substances or even illegal drugs like THC or Spice. Following the ban on disposable vapes in the UK, this definition will now also include single-use vapes.

Specifically-for each of the past 5 years (2020-2024), and partial data for 2025 if available-I am seeking anonymised data from your police force on the following:

Keeping Wiltshire Safe

1. The total number of sellers found to be in possession of illegal, unregulated or "black market" vape products.
2. The number of sellers who faced any form of legal action, including but not limited to warnings, fines, charges, or prosecutions.
3. The number of individuals formally prosecuted (i.e. individuals who were taken to court and faced criminal proceedings resulting in a conviction or ongoing trial).

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review.
