Dear XXXXX

I write in connection with your request for information, dated 12/01/2026 concerning RTA Section 5 offence.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the department of Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You wrote:

What data is being collected and collated related to the specific drug detected and measured with respect to RTA Section 5 offence in 2024 and 2025.

Possibly your force is not interested or aware of the increase in Ketamine cases in Section5a convicted drivers.

To clarify, this is not the number of SFR's issued, as that would give unclear information, this is the number of times that a blood sample sent to our Forensic Service Provider resulted in an outcome that was over the defined legal level under S5 of the Road Traffic Act

Response:

The information that you are requesting is not stored in a way which permits easy retrieval. This is because our Justic Traffic Department would have to review every single occurrence, they have established there are thousands of occurrences to review. As a result, this would take us well over the 18 allocated hours time frame we have to complete the request within.

Keeping Wiltshire Safe

We are aware that other Forces may have the capability to provide you with this data, however, this is not something we are able to do.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it.

Please note, that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Ordinarily under our Section 16 duty to provide advice and assistance, we would advise you how to refine your request to a more manageable level. However, due to the difficulties outlined above, I cannot see how this can be achieved in this particular case.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me, and been considered in the light of your request, within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
