Dear XXXXX,

I write in connection with your request for information dated 15/09/2025 concerning stalking and harassment cases where a private investigator has been hired.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

My query relates to instances where a perpetrator was charged with stalking in the last three years, (from beginning of 2022 to present day).

Please check your records for those charged with a stalking offense (including but not limited to: "Stalking without fear / alarm/ distress" or "Stalking involving fear of violence" or "Stalking involving serious alarm/ distress).

In those records please do a search for the key term "hired a private investigator" / "hired private investigators" / "hiring a private investigator" AND "hired a private detective" / "hired private detectives" / "hiring a private detective"

I would like to know:

1. Broken down by year, if possible, how many times someone charged with a stalking offence, had hired a private investigator or private detective
2. If possible, a list of the names of those private investigators/ agencies
3. How often a private investigator has been charged with stalking or harassment

Response:

A key word search has been conducted on Stalking offences, with the Detection Status of Charged or Summoned. Based on these search terms, we have no occurrences.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
