Our Ref FOI 2025-913

Dear XXXXX,

I write in connection with your request for information dated 24th September 2025, concerning illegally modified e-bikes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Vehicle Recovery Team and Justice Traffic department at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

You wrote and our response:

Please may I request information relating to **illegally modified battery-powered pedal cycles (ebikes)**:

- Can you please provide details of the number of illegally modified ebikes **seized** by police over the last three years (stats for 2023, 2024 and 2025 so far)

2023 = 21

2024 = 24

2025 to date = 47

- Can you please identify the **highest speed (in mph)** the force has ever recorded for a person riding an illegally modified ebike.

As e-bikes do not display a registration, there is not a provision to record these as anything other than property. By recording them in this way, we do not record speed.

To note, between January 2023 and October 2025, there were a total of 34627 speeding fines recorded. Therefore, we would be unable to manually review these matters to establish if they related to e-bikes as this would exceed the time obligations on us to comply with your request.

Keeping Wiltshire Safe

- Can you please provide details of where/when (on which road) the highest speed was recorded

N/A

- The age of the rider who recorded the highest speed

N/A

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

FDU Decision Maker
