Our Ref FOI 2025-914

Dear XXXXX,

I write in connection with your request for information dated 25th September 2025, concerning guidance and training related to Palestine Action following its proscription.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Specialist Operations department and Student Officer Training and Assessment Team at Wiltshire Police. Your request for information has now been considered and I am able to respond as follows.

You wrote:

I would like to request all documents and information related to any guidance, training and relevant supporting documents provided to or created by your police force following 5 July 2025, as well as all internal guidance or training delivered by your force as it relates to:

- the policing of the protests in support of Palestine Action or against the proscription of this body, and;
- Online or offline support of the body.

Our response:

Some of the information you are requesting is exempt by virtue of Section 21 of the Freedom of Information Act 2000 – Information accessible to applicant by other means.

The following link will direct you to the Wiltshire Police website, where a response has already been provided in relation to another request concerning Palestine Action Officer guidance – [foi-2025-685-palestine-action-officer-guidance.pdf](#).

With regards to training, proscribed organisations and the legislation that covers them are included within initial Officer training. No specific training is provided to student Officers centered around their response to policing members of Palestine Action during protests; the training is a lot more generic.

Keeping Wiltshire Safe

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 21 - Information Accessible to the Applicant by Other Means

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

FDU Decision Maker
