Dear,

I write in connection with your request for information dated 13th October 2025 concerning antisemitic crimes.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You Wrote:

We would like to know about antisemitic crimes and non-criminal antisemitic incidents recorded by your you with numbers of crimes and incidents individually broken down for each month of 2024 and each month in 2025 up to and including 30 June 2025.

Question 1a

Question 1b

If you do not flag antisemitic crimes separately, please search for crimes and non-criminal incidents in your CRIS using the following whole keywords (i.e. not parts of words, but whole words, so that when you search for "Jew", entries containing "jewellery" are not returned). Since use of all the keywords might prevent you from answering this FOI request due to excessive cost, please only use the keywords (starting at the top) that can be used without incurring excessive cost.

The keywords are:

Jew/Jews/Jewish/Judaism

Semite/Semitic/Semitism

Antisemite/Antisemitic/Antisemitism

Yid/Yids/Yiddo/Yiddish

When responding to Q1 or Q1a, please use the following table format, with the following headings:

Month

Number of antisemitic crimes recorded

Number of antisemitic crimes involving allegations of violence*

Number of antisemitic crimes resulting in charges being brought

Number of antisemitic incidents reported

*For the purpose of this request, antisemitic crimes involving allegations of violence are those antisemitic crimes which fell into the Home Office categories of "homicide", "violence with injury" and "racially or religiously aggravated assault without injury".

Response:
