Section 21: Information accessible to applicant by other means.

(1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information.

(2) For the purposes of subsection (1)—

(a) information may be reasonably accessible to the applicant even though it is accessible only on payment, and

(b) information is to be taken to be reasonably accessible to the applicant if it is information which the public authority or any other person is obliged by or under any enactment to communicate (otherwise than by making the information available for inspection) to members of the public on request, whether free of charge or on payment.

Whilst under s1(1)a of the Act 2000 Wiltshire Police can confirm that they hold the requested information, it is exempt by virtue of s21 (Information easily Accessible Elsewhere).

Please use the following link which will direct you to the Wiltshire Police Published Items page: [Published items | Wiltshire Police](#)

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies. In accordance with Keeping Wiltshire Safe

the Freedom of Information Act 2000 this letter acts as a Refusal Notice for those aspects of your request.

Exemption applied:

Section 21: Information accessible to applicant by other means.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
