Our ref: FOI 2025/1033

Dear ,

I write in connection with your request for information dated 31/10/2025 regarding drivers being stopped on 24th December 2024.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered, and I am able to respond as follows.

You wrote:

- How many drivers were stopped by officers in your force area on December 24, 2024?
- How many of the drivers stopped were subject to any kind of action regarding the safety of their tyres? (e.g. drivers advised to replace worn tyres, drivers instructed to replace worn tyres or face enforcement action, vehicles taken off the road due to poor tyre condition).

Our response:

The information that you are requesting for part of your request is not stored in a way which permits easy retrieval.

The ascertaining of this information would only be possible by physically reading each log for that day to confirm if a stop had been conducted. Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450.00 calculated at a flat rate of £25.00 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. There are 645 recorded, this would result in 53hrs and 45 minutes to obtain this information at a minimum.

Please note that if one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Keeping Wiltshire Safe

Although excess cost removes the forces' obligations under the Freedom of Information Act, as a gesture of goodwill I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fee's regulations for the remainder of your request. What I am able to provide you are the answers documented below –

15 tickets were issued for tyre offences in the month of December 2024, and 4 cases were recorded where other offences were also involved so a total of 19.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with Section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
