Dear,

I write in connection with your request for information, dated 5th November 2025 concerning commercial cannabis farms.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Team Performance Department of Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

Response:

The information that you are requesting, specifically for Questions Two and Four, are not stored in a way which allows for easy retrieval and Wiltshire Police does not have the search facility to automatically gather this data. To clarify, our Team Performance Department have confirmed that to ascertain this information for the requested time period would require manually searching and reading each and every Occurrence Log for 'produce cannabis a class B controlled drug' and 'production or being concerned in production of a controlled drug – cannabis' individually to determine whether they related to your request. This would exceed the 18 hour work limit to locate, retrieve and extract the information and therefore Section 12 applies.

Under our Section 16 obligation to provide advice and assistance, I would advise that you could resubmit your request without these Questions, however please note that other exemption(s) may be applicable.

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit
Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me, and been considered in the light of your request, within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours Sincerely,

Wiltshire Police offers a re-examination of your case under its review procedure.
