Dear,

I write in connection with your request for information, dated 15th January 2026 concerning thefts from vans.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence Department of Wiltshire Police.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

You Wrote:

I am seeking aggregated recorded-crime data (not incident logs) relating to thefts from vans (i.e., property stolen from a vehicle, not theft of the vehicle itself).

For each calendar year:

- 2024
- 2025

Please provide the total number of recorded crimes in your force area where:

- the offence classification is "Theft from a motor vehicle" / "Theft from vehicle" (or your closest equivalent recorded-crime classification for theft from a vehicle), AND
- the victim vehicle is recorded as a van / light commercial vehicle (e.g., van, panel van, Luton van, light goods vehicle, LCV, or equivalent local vehicle-type/body-type codes).

If straightforward from the same query, please also provide a monthly breakdown (YYYY-MM) for the same period.

Keeping Wiltshire Safe

If you are unable to filter reliably to vans/LCVs, please instead provide the total "theft from motor vehicle / theft from vehicle" counts for 2024 and 2025, and briefly explain why the van/LCV filter cannot be extracted.

Response:

The information that you are requesting is not stored in a way which allows for easy retrieval and Wiltshire Police does not have the search facility to automatically gather this data. To clarify, our Business Intelligence Department have confirmed that to ascertain this information for the requested time periods would require manually searching and reading each and every 'theft from a motor vehicle' individually to see if they related to vans. This would exceed the 18 hour work limit to locate, retrieve and extract the information and therefore Section 12 applies.

However, under our Section 16 obligation to provide advice and assistance, I can provide the following for 'theft from a motor vehicle':

2024 – 1159

2025 – 864

Section 17 of the Freedom of Information Act 2000 requires the Wiltshire Police, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states (if that would not otherwise be apparent) why the exemption applies.

The exemption applicable to the information requested is:

Section 12: Exemption where cost of compliance exceeds appropriate limit

Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

In accordance with section 17 of the Act, this letter represents a Refusal Notice for this particular request.

I am satisfied that all the relevant information has been passed to me, and been considered in the light of your request, within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours Sincerely,

Wiltshire Police offers a re-examination of your case under its review procedure.

Requests for review of a Freedom of Information request must be made in writing to the:

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.
