Dear XXXX,

I write in connection with your request for information dated 3rd February regarding rape offences.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the Business Intelligence Unit at Wiltshire Police.

Your request for information has now been considered, and I am able to respond as follows.

You wrote:

Please provide all recorded rape offences (including attempts) in Wiltshire from 1 January 2020 up to 31 December 2025.

For each offence, please include the following fields (or the closest equivalent held on your records management system):

1. Financial/crime year (or date of recording/offence)
2. Victim ethnicity (preferably using the 16+1 or 18+1 self-defined codes, or just White, Asian, Black, Mixed, Other if former not available)
3. Victim age band (e.g. "Under 18" / "18 or over" / actual age if banded differently)
4. Suspect/offender ethnicity (same coding as victim)
5. Suspect/offender age band (same as above)
6. Victim-offender relationship (e.g. Stranger, Partner, Ex-partner, Parent, Acquaintance, Family member, No suspect identified, etc.)
7. Police district / borough / local policing unit / Basic Command Unit

If the data provided is only available in separate tables as opposed to a long spreadsheet, also provide an extra table featuring an ethnic/racial breakdown of rape offences (ignoring other sexual offences) with both the victim and the assailant. For example how many White

victims were attacked by Asian suspects, how many Black victims were attacked by White suspects, how many Other victims were attacked by Black suspects e.g.

Clarification request received 26th February: Was it possible to determine which cases took place in Swindon, as opposed to those outside?

Our response:

Please see table attached at the end of this document.

I am satisfied that all the relevant information has been passed to me and considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Keeping Wiltshire Safe

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal.
