I write in connection with your request for information dated 23/02/2026 concerning Pride month 2025.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

How much did your force spend on hosting or funding events to celebrate Pride Month last year (1-30 June 2025)? Please give the total amount spent in pounds and pence, the number of events hosted/funded over the course of the month and a brief description of each event that was funded (what was it for, what happened at this event and how many officers attended or took part)?

Did the force provide funding to any community groups or organisations to host Pride events? If so, please state how much was awarded and the name of the group in total in pounds and pence and a description of the event it helped to fund.

Please provide any other costs associated with, or linked to, Pride Month 2025 celebrations that cost the force, what these costs related to and how much was spent in total in pounds and pence.

Our response:

We donated £1,000 to Swindon and Wiltshire Pride 2025 to enable us to have a pitch for the community stall at the community event (attended by more than 15,000 people) which was run by volunteers (off-duty) as part of the Wiltshire Police LGBTQ+ Staff Support Network.

We did not host any events, incurred no additional costs, and did not provide any funding (bar the £1,000 outlined above).
