Dear ,

I write in connection with your request for information dated 25/03/2026 concerning seized dogs.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am not obliged to supply the information you have requested.

Please provide the following information for the period 1 January 2020 to 31 December 2025, or the most recent 5-year period available.

5. Clarification

If it is not possible to separate Section 1 data from other Dangerous Dogs Act data, please provide the closest available dataset and explain any limitations.

Response:

Section 1 of the Freedom of Information Act 2000 (FOIA) places two duties on public authorities. Unless exemptions apply, the first duty at s1(1)(a) is to confirm or deny whether the information specified in a request is held. The second duty at s1(1)(b) is to disclose information that has been confirmed as being held.

Whilst I can confirm Wiltshire Police do hold the requested information, section 12(1) of the FOIA states:-

Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

The type of information you require is not stored in a way which allows for easy retrieval. In relation to questions 2, 3B, and 3C, this information will take a considerable amount of time to establish. This will mean researching each crime report individually for 75 dogs. Information requested for question 4 is not recorded separately - we would need to manually peruse all relevant crime reports within the timeframe given.

Under the circumstances I am absolutely confident that to locate, retrieve and extract the information you seek would by far exceed the time obligations upon this authority to comply, and in so doing would exceed the fees limits. This is set at £450 calculated at a flat rate of £25 per hour for those work activities comprising of confirming the information is held, locating it, retrieving it and extracting it. Therefore the whole of the request falls under the exemption of section 12 of the Freedom of Information Act 2000.

Please note:

If one part of the request engages a Section 12 response, the whole request will engage a Section 12 response. The reason being is due to the fact that locating, retrieving and extracting any further information would only add to the already exceeded time obligations.

Forces may use different recording systems; therefore it may be possible some Forces can provide this information where others cannot.

Ordinarily under our Section 16 obligation to provide advice and assistance we would advise you of a way to refine your request to a more manageable level. Due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a

Keeping Wiltshire Safe

way in which this could be achieved. In respect of other questions within your request, I cannot think of a way in which you would be able to refine these questions, as they may incite further exemptions dependent on what information we may or may not hold.

Please note: the following information has been supplied before becoming apparent that further work on this FOI would take more than 18 hours of work.

1. Seizures and Outcomes

YEAR	Section 1 Dogs Seized	Disclaimed by owner	Returned to Owner Not of Type	Subject to CDO	Ordered to be euthanised by the court
2025	42	7	5	2	0
2024	23	5	1	10	0
2023	1				

Notes:

The 1 dog seized in 2023 was sent to Greater Manchester Police (their offence) outcome is not known by Wiltshire Police

One dog seized in 2024 was the result of an admin error by DEFRA and the dog was returned to owner

One dog seized in 2024 was stolen and returned to the owner in the Avon and Somerset area.

2. Time Frames

Please see S12 exemption

3. kennelling and Costs

a) The average cost per day for kennelling is approximately £40. This does not include any associated vet costs. The force pays a monthly fee for a certain amount of kennels however if these kennels are full and additional kennels are needed then there is an additional cost.

b) Please see S12 exemption

c) Please see S12 exemption

4. Additional context

Please see S12 exemption

5. Clarification

Information provided is about Section 1 Data only.

Section 17 of the Freedom of Information Act 2000 requires Wiltshire Police, when refusing to provide information (because the information is exempt) to provide you the applicant with a notice which: (a) states that fact, (b) specifies the exemption in question and (c) states

Keeping Wiltshire Safe

(if that would not otherwise be apparent) why the exemption applies. In accordance with the Freedom of Information Act 2000 this letter acts as a Refusal Notice for those aspects of your request.

Exemptions applied:

Section 12: Exemption where cost of compliance exceeds appropriate limit

Please contact me if you would like to discuss the withheld information.

Yours sincerely
