Dear XXXXXX,

I write in connection with your request for information dated 26th June 2026 concerning Voyeurism Offences involving drones.

Your request for information has now been considered and I am now able to respond as follows.

None

2. Of those, the number which resulted in an arrest

N/A

3. Of those, the number of suspects charge (or a charged/summonsed outcome)

If it is easier to search using keywords rather than offence codes, I am content for you to identify relevant cases using terms such as "drone", "UAV", "unmanned aerial vehicle", or similar terminology within the MO, occurrence summary or investigation notes.

INVESTOR IN PEOPLE

Please Note

Wiltshire Police record crimes in accordance with the current Home Office Crime Recording guidelines.

There are currently 2 Home Office crime groups that have been used to record voyeurism offences between 2023-2025. These are :-

088/10 88E Voyeurism
088/12 88E Voyeurism – Additional Offences (incl upskirting)

None of these offences have included the words “drone”, “UAV” or “Unmanned Aerial Vehicle” in the summary description of the offence.

We are unable to run “wildcard” or “free-text” searches on the complete occurrence log of an offence, only the summary description of it.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

Nick Penny
