Response:

Wiltshire police do not have any fixed speed cameras in our county.

RE any decommissioned speed camera sites, we would not hold any information relating to those.

RE the current cameras in Swindon, these are managed by the council. Wiltshire Police don't have any involvement in them. To assist where possible, I have included the link to Swindon Borough Council's FOI requests:

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely
