I write in connection with your request for information, dated 01/07/2026, concerning drug-impairment tests.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, searches were conducted with the finance unit of Wiltshire Police.

Your request for information has now been considered and it is not possible to meet your requirements in full.

What is the cost to your Authority for administering roadside Drug-impairment tests, specifically Field Impairment Tests, under section 4 of the Road Traffic Act 1988 and drug driving testing under section 5A of the Road Traffic Act 1988 in the last full financial year, and in that year, what the cost was to your authority of processing those tests.

Our response:

The only response Wiltshire police can provide from a finance perspective is the actual cost of the Drugs Wipes which are purchased. For the Financial year 25/26 this totalled £17,435.

No other costs are recorded.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable.
