I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Following receipt of your request, research was conducted by the OPCC Procurement Team at Wiltshire Police.

Your request for information has now been considered and I am able to respond as follows.

Our Response:

No information held - Wiltshire Police do not have any contracts on record for the requested systems.

Ordinarily under our Section 16 obligation to provide advice and assistance we would advise you of a way to refine your request to a more manageable level. However, due to the difficulties in obtaining the requested information, as outlined above, I cannot think of a way in which this could be achieved.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely,

FDU Decision Maker
