Dear XXXXXX,

I write in connection with your request for information dated 29th July 2026 concerning Racially Aggravated Hate Crimes and Incidents.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am now able to respond as follows.

You wrote:

I am emailing to request the following information under the Freedom of Information Act:

The number of racially-motivated hate crimes or hate incidents towards ethnic groups reported to the service every day during May, June, and July 2026

If it is not possible to get the information for this time frame, please can you provide the information for just June and July.

Our response:

Whilst we record where a Crime or Incident is Racially motivated on our systems (via the use of NICL qualifier codes) we do not record whether these crimes or incidents are against “ethnic groups” per-se.

Our response for this part of your request is therefore – **No Information Held**.

It should be noted that there is no obligation on an Authority to create information where none currently exists, purely to answer an FOI request.

It should also be noted that there is no obligation on this Authority under FOIA to decide who or which persons constitute an “ethnic group”.

INVESTOR IN PEOPLE

To a white Christian anyone outside that group could conceivably constitute someone from an ethnic group. Similarly, to a muslim, anyone outside that group could conceivably constitute someone from an ethnic group.

The total number of Crimes and Incidents reported to Wiltshire Police that have been tagged as being Racially Motivated for the time period you require have been as follows :-

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.pnn.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original Fol request.

3. Review Procedure

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following details:
