Dear,

I write in connection with your request for information dated 29/07/2026 concerning Domestic violence during the World Cup.

I am required by the Freedom of Information Act 2000 to handle all requests in a manner that is blind as to the identity and motives of the requestor. Any information released as a response to a request is regarded as being published and therefore in the public domain without caveat.

Your request for information has now been considered and I am able to respond as follows.

You wrote:

Please provide the following data for each day during the period of the 2026 World Cup, June 11 2026, to July 19 2026, inclusive:

Daily Totals by Location: The total number of recorded domestic abuse incidents/crimes on each calendar day within the specified period, broken down by Community Safety Partnership (CSP) area (or Local Authority / Policing District if CSP is not readily available).

Keeping Wiltshire Safe

Force-Wide Daily Totals: If providing the daily breakdown by CSP/district would exceed the cost limit under Section 12 of the FOI Act, please provide the force-wide total for each individual calendar day within the period instead.

Please include all recorded domestic abuse incidents/crimes logged on those dates, regardless of whether "football," "World Cup," or a specific match was recorded as an aggravating or contributing factor.

If your force separately tracks or flags incidents specifically linked to football/match days, please provide that secondary count alongside the daily totals, if possible, within the cost limit.

Freedom of Information Request Appeals Procedure

1. Who Can Ask for a Review

Any person who has requested information from Wiltshire Police, which has been dealt with under the Freedom of Information Act, is entitled to complain and request an internal review, if they are dissatisfied with the response they received.

2. How to Request a Review

Requests for review of a Freedom of Information request must be made in writing to the:

Force Disclosure Unit
Wiltshire Police Headquarters,
London Road, Devizes,
Wiltshire,
SN10 2DN

Email at disclosure@wiltshire.police.uk.

The reference number, date of the request and details of why the review is being requested must be included. Requests for review should be brought to the attention of the Force Disclosure Unit within 20 working days of the Force's response to the original FoI request.

3. Review Procedure

Keeping Wiltshire Safe

Receipt of a request for review will be acknowledged in writing to include confirmation of the reasons for the review. The review will be conducted by another Decision Maker, who is independent from the original Decision Maker. The Force Disclosure Unit will set a target date for a response. The response will be made as soon as is practicable with the intention to complete the review within twenty working days. In more complex cases the review may take up to 40 working days.

The Independent Decision Maker will conduct a review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account the matters raised by the complaint.

4. Conclusion of the Appeal

On completion of the review the Independent Decision Maker will reply to the complainant with the result of the review. If the complainant is still dissatisfied following the review they should contact the Information Commissioner to make an appeal. The Information Commissioner can be contacted via the following details:
