Please can you tell me:

Whether your police force has a rural crime taskforce or unit dedicated to tackling rural crime.

How many officers have been allocated to the taskforce or tackling rural crime in year ending 30 September 2025.

Rural crime means any unlawful act or ASB taking place in the country, including offences such as theft of farm machinery, fly-tipping etc.

Response:

Wiltshire Police realigned its Rural Crime Response, embedding this within our Neighbourhood Policing Delivery. Instead of a dedicated team, we have moved the 6 Police Officer posts and placed them into our Geographic Neighbourhood Policing Teams as Specialist officers, but with a specific term of reference, still being focused on Rural/Wildlife/Heritage Crime Investigation and crime prevention. Officers have a strict term of reference around the work they will undertake and focus upon, alongside working with strategic partners and collaborating on enforcement.

Keeping Wiltshire Safe

The force has two key strategic objectives which are to focus on the 2 areas below,

- Hare Coursing and Poaching
- Agricultural Plant Theft and agricultural acquisitive Crime, linked to Farms and Businesses.

The team are still focused on Fly Tipping and Illegal waste carrying, Heritage Crime, Scrap Metal Criminality and ASB.

I am satisfied that all the relevant information has been passed to me and been considered in the light of your request within the time constraints applicable under the legislation.

Wiltshire Police would like to thank you for the interest that you have shown in the Force.

Yours sincerely

Force Disclosure Decision Maker

Wiltshire Police offers a re-examination of your case under its review procedure.
