I am requesting any releasable police in-car/dashcam footage relating to the pursuit on 19 January 2024 involving Muneeb Mehran on the M4 eastbound from near junction 15 into the Thames Valley area. Wiltshire Police reported that the vehicle reached speeds in excess of 140mph through temporary 40mph roadworks before being stopped using specialist tactics. Mehran was sentenced in March 2024.

Please provide the relevant police in-car footage electronically, preferably as the original video file or a download link. If recordings from more than one police vehicle are held and releasable, please provide all relevant footage.

If the footage has already been supplied to the media or published, a link to the highest-quality available version would also satisfy this request.

Response:

The answer to your request is exempt under Section 21 of the FOIA (Information available to the applicant by other means).
